from the I.G. Police

noted with regrets.

2) There are several points raised for orders in the letter of the I. G. of Police.

(i) Question of releasing more posts of Superintendents of Police to the Departmental service

(ii) Confirmation of certain officers (non-C.S.) now acting as Superintendents and Assistants Superintendents

3) Re: (ii), a copy of the letter will be sent to the Protection Branch, to work up the question with reference to their previous record and other incidents referred to in the I.G.P.'s present letter.

4) The point that may be considered in this file is the question of revising the allocation of posts of Superintendents between the ~~Superintendents of Police~~ Civil Service and the non-civil service, and the consequential postings if any

5) There are altogether 13 posts of D.S.P.s In G.O. No 2197-9/CB.58-32-4 d. 19.1.33. These were allocated as follows :-

Civil Service :	7
Non-C-S	6
	13

Further one more Civil Service officer (Mr Abdul Razaak) was ~~also~~ posted against one of the N-C-S. Vacancies with a view to his eventual absorption into the non-C.S. Cadre. Including Mr. Abdul Razaak there were 8 civil service officers in the Dept

6) From the time Mr. V. Dwarakanath was given leave, one C.S. Vacancy has been released to the subordinate Dept service, so that there are at present only 7 C.S. Offrs including Mr Razaak. ~~It has been decided that [illegible]~~ According to the recent decision, neither of these officers will continue as Asst. Com^r The Vacancy of Mr Dwarakanath may perhaps be permanently released to the

Serial No.

Departmental service. This will allow the confirmation of all the non-C.S. officers now actually acting as Superintendents. The next point is whether ~~the~~ a Civil service officer is to be posted in place of Mr. Abdul Razaak, or whether this vacancy also is to be released for promotion of one of the Asst. Supdts. The letter of the I.G. of Police shows that in case Govt. would throw it open to the Dept. service he can find a suitable officer, Mr. G.K. Madhava Rao who has been acting as ~~Asst~~ Assistant Superintendent from Oct. 32 (ie for about 1½ years).

7) (Reference is invited in this Connection to the discussions in the notes in C.B. 3-33-5to7)

Final Note by the First Member of Council.

Subject:—

Allocation of posts of Superintendents of Police between Civ Service and non-Civil Service cadres and the appointment of Mr. G.K Madhava Rao, Assistant Superintendent of Police as acting District Superintendent of Police.

A I beg to invite kind reference to my Final Note dated the 14th December 1932 and His Highness' gracious orders approving the proposal to raise the number of the Civil service officers in the Police department from 6 to 7, the number of men belonging to non-Civil service cadre being fixed at 6. It was at the same time also decided to have one more Civil service officer against one of the 6 non-Civil service posts so that the total strength of Assistant Commissioners in the department would be 8. The main reason for the Civil service element being thus increased was the paucity of suitable officers in the higher ranks of the subordinate Police service competent to hold the charge of District Superintendents of Police.

F (Page 3) The Inspector General of Police was informed that if at any later date suitable officers from the subordinate ranks became available for promotion as Superintendents and the need was felt for providing vacancies for them by the withdrawal of Civil service officers, he might send up proposals in regard to the reallocation of the posts.

When one of the Assistant Commissioners in the Department, Mr. V. Dwarakanath was given leave in August last the Inspector General of

B Police reported that a competent officer of the Department was available to take his place and the vacancy was accordingly released for the subordinate service at the time. There is now another vacancy in the grade of Superintendents consequent on the reversion of Mr. Abdul Razack as Amildar. The Inspector General of

C Police states that there are at present a sufficient number of officers in the department competent to hold all the posts originally open to the non-Civil service and that if the vacancy due to the reversion of Mr. Razack be also released for the non-Civil service

cadr

cadre he could find a suitable officer for filling up the post. He proposes that Mr. G.K. Madhava Rao who has been acting as Assistant Superintendent of Police since October 1932 and is fit for District Superintendent's charge may be promoted in the vacancy.

Page 4 of Office Note

In the circumstances, I am of opinion that the recommendation of the Inspector General of Police to appoint Mr.G.K.Madhava Rao as acting District Superintendent of Police vice Mr. Abdul Razack may be approved. This will result in the total strength of the Superintendents of Police being reallocated as under between the two services

Civil Service,	...	6

SIR,

With reference to G.O.No.2197-9/C.B.58-32-4 of the 19th January, 1933, I feel that the present is a propitious moment for me to report to Government regarding the officers of this Department available and who may be considered suitable for promotion.

In the Government Order under reference the thirteen posts of District Superintendent of Police were apportioned between the Civil Service and Departmental Cadres in the proportion of 7 : 6. At the present moment there are 8 officers in the Civil and 5 in the Departmental cadre, as may be seen from the Half Yearly Civil List, but, amongst the former is included Mr. V. Dwarakanath, B.A., B.L., who is on leave and Mr. Abdul Razack, B.A., LL.B., who, in the G.O. mentioned was ordered to be counted against a Departmental post, he having previously served in the Police Department. I have reported in this office letters Nos. G2.C.329/32-33 dated the 25th August, 1933 and C.C. 75/33-34 dated the 20th May, 1934, and the orders of Government in the matter are awaited.

Of the 6 Police Officers now filling posts of District Superintendent of Police, Messrs. Mariappa and U.K.Somappa, B.A., have been confirmed in their appointments, while Messrs. R. Muthoji-Rao Scindia, B.A., M. K. Narasimha Iyengar, B.A., A. Rangaswami Iyengar, B.A.(Hons),LL.B., and C.I.Machia, B.A. are acting. Concerning these acting officers Mr. R. Muthoji Rao Scindia was the subject of a reference to Government in this office letter No.C.C.13/

C.C. 13/32-33 dated 7th April 1933 whereon Government passed orders in their letter No. Camp/3, dated the 3rd/5th October 1933 postponing his confirmation for a year up to the 7th May, 1934. I have had, unfortunately, to make another reference to Government regarding his conduct more recently in this office letter No. C2-77/32 P5-6-34 and on the orders of Government in that matter will depend Mr. Muthoji Rao Scindia's confirmation. I have recently visited his District and inspected his work and have found considerable improvement therein and consider that, while his touring has been inadequate and he has to realise the necessity for instructing his subordinates in person and on the spot instead of trying to guide them by circulars, he may be considered fit for confirmation apart from the matter referred to as pending the consideration of Government. Should Government hold his conduct in that matter as due to youthful indiscretion and inexperience, there is no objection to the confirmation of Mr. Muthoji Rao Scindia in the grade of District Superintendent of Police

As regards Messrs. A. Rangaswami Iyengar and C.I. Machia, I have recently inspected their work and consider them sensible, competent and painstaking officers fit for confirmation. Mr. M.K.Narasimha Iyengar has tackled his work in the C.I.D. with skill and diligence is also recommended for confirmation.

Besides these officers, Mr. G.K.Madhava Rao who is acting as Assistant Superintendent of Police, has been tried in charge of a District and is, I consider, competent to do the work of a District Superintendent of Police should another officer be required in that rank.

Turning to Assistant Superintendents, besides Mr. Madhava Rao mentioned above and whose confirmation as Assistant Superintendent I recommend there are apart from

officers already mentioned, Messrs. D. Seshagiri Rao, B.A., M.V.V.Naik, M. Wynne, W. Lawler, H. Sreenivasa Iyengar, B.A., B.L., acting in the grade while Mr. D. Madanagopalaraj Urs is a permanent Assistant Superintendent. Of these officers, Mr. D. Seshagiri Rao was the subject of correspondence with Government who in their letter No. Camp/3 dated the 3rd/5th October, 1933, ordered that this officer's promotion should be stopped and that he need not be confirmed until his conduct has been pronounced satisfactory. Since that time Mr. Seshagiri Rao, has worked in the Provincial Training School and is now in charge of the Davanagere Sub-Division. In the former charge he gave satisfaction and in the latter he is displaying energy and has given no ground for complaint. He may, now, I think, be confirmed as Assistant Superintendent of Police. The remaining officers may, for the present, be allowed to continue to act as Assistant Superintendents of Police as they have all displayed competence and give promise of their suitability for confirmation.

There are thus besides 6 officers either confirmed or suitable for confirmation in the grade of District - Superintendent at least one other in the person of Mr. G.K. Madhava Rao fit for promotion to that grade while, including him there are 7 officers competent to fill the 6 posts of Assistant Superintendents of Police as well as two Probationary Officers. These last are completing their training; after leaving the Training School they have studied practical work in Districts, have worked as Station House Officers for more than 3 months and are now being placed in charge of Taluks whereafter their training may be considered over and they should be competent to be placed in charge of Sub-Divisions. There are thus, in my opinion, sufficient officers of the Department to fill the Departmental Cadre even should it be increased in the case of District Superintendents of Police
